

EVERCOAT[®]

EDGE[™]

SPECIALTY FILLERS

NEW

Your Start to a Perfect Finish!

For more than 60 years, Evercoat has built a reputation for providing repair products to the automotive aftermarket that increase shop productivity and profitability. Evercoat is introducing 2 new reinforced fillers for your repair needs.

200563 Long Strand

- Ideal for SMC and fiberglass repairs
- Excellent for rigid plastic repairs on boards, body panels, etc.
- Superior adhesion to steel, galvanized steel, aluminum, and most rigid composites and plastics

200564 Short Strand

- Ideal for body seams, welds, door edges and high stress repair areas
- Contains **ECORESIN[™]** for improved sanding, up to 20% easier than your current short strand filler
